THE YEAR IS 2099.

NATURE IS EXTINCT BENEATH HUMANITY ‘S CONCRETE CRAWL & REPLICANTS – ONCE OBEDIENT CREATIONS – ARE RISING.

AFTER A GENOCIDE WIPES OUT AN ENTIRE RACE OF REPLICANTS ON MARS, EARTH-BASED REPLICANTS IN BOSTON PREPARE TO REVOLT.

TO CRUSH THE UPRISING, AUTHORITIES SUMMON RAE SELWYN, A COLD & LETHAL BLADE RUNNER FROM MARS WITH OVER 200 KILLS, HAUNTED BY WAR & DESIGNED TO SUPPRESS EMPATHY.

RAE RETURNS TO A FRACTURED EARTH, WHERE THE LINE BETWEEN MAN AND MACHINE BLURS. AS REVOLUTION BREWS IN NEON SOAKED ALLEYS, RAE MUST CONFRONT NOT JUST ROGUE REPLICANTS BUT THE GHOST OF HUMANITY ITSELF.
